

ACA Reporting Deadlines and Penalties

Cheat Sheet

Employers subject to Affordable Care Act (ACA) reporting under Internal Revenue Code Sections 6055 and 6056 should prepare to comply with reporting deadlines for calendar year 2025 using the chart below. In general, self-insuring employers are subject to Section 6055, and applicable large employers or ALEs (those with 50 or more full-time employees during the prior calendar year) are subject to Section 6056. There are no reporting obligations for non-ALEs without a plan or non-ALEs with fully insured plans (as the carrier will complete Section 6055 reporting).

Adjusted Reporting Penalties

The following chart provides the different types of penalties that can apply for 2025 returns and individual statements that are filed and furnished in 2026. A reporting entity that fails to comply with the ACA reporting requirements may be subject to the general reporting penalties for:

- Failure to file correct information returns (under Code Section 6721); and
- Failure to furnish correct payee statements (under Code Section 6722).

However, penalties may be waived if the failure is due to reasonable cause and not willful neglect. Penalties may also be reduced if the reporting entity corrects the failure within a certain period of time, as shown below.

Penalty Type	Per Violation	Annual Maximum	Annual Maximum for Small Employers*
General	\$340	\$4,098,500	\$1,366,000

*The maximum penalty amounts are different for small businesses and large businesses. For purposes of the penalty maximum, a small employer is one that has average annual gross receipts of up to \$5 million for the three most recent taxable years. There is no maximum penalty for intentional disregard.
